

Female Formula™

Designed for women's specific needs. During the child-bearing years there are hormone imbalances, discomforts, and essential minerals that are lost. Female Formula™ is an herbal and nutrient blend designed to help pre-menopausal women meet the demands of a busy lifestyle by supporting the body's production of energy and helping to maintain hormone balance.*

To support hormone balance, Female Formula contains Dong Guai and soy isoflavones. It also is formulated with iron, calcium, and vitamin D to restore vital mineral levels and Rehmannia and Jujube to support overall health.*

- ▶ Promotes hormonal balance*
- ▶ Provides iron, calcium, and vitamin D*

Warning: Not intended for pregnant or lactating women or those under 18. As with all nutritional products, consult your physician before using this product if you are taking medications. Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.** In case of accidental overdose, call a physician or poison control center immediately.

STEPHEN'S TIP

The first step to balancing hormones are optimizing nutrition, exercise, lifestyle, and sleep patterns. Many people are amazed at how much better they feel just by improving their diets and choosing the right natural supplements.
